## NEW FROM LAST GASP: PINOCCHIO

### THE CLASSIC TALE REIMAGINED AS COMIC NOIR

*(Winshluss)* Exquisite drawings by celebrated cartoonist Winshluss bring to life a rich tale of greedy fools, lust, sadness, redemption, and hope.

In this dark rendition, a greedy Geppetto builds Pinocchio as a metallic weapon of war, while Jiminy Cockroach is a homeless squatter living the good life in Pinocchio's skull. Teamed with brilliant colorist Cizo, Winshluss creates an epic adventure through a lush world. Meet seven sleazy dwarves, follow Jiminy's struggles as a novelist, watch a blind tramp find God, and see the innocent, yet powerful Pinocchio encircled by those who would use him for their own ends. Each page is perfectly composed—not a panel is wasted. Primarily rendered in pen & ink and watercolor, the artwork switches to paint for larger splash panels, referencing a range of illustrative styles. Hardcover, 8.5x12, Color.
